A Dangerous World

Here are some dangerous things that might happen.
Can you match the words on the left with the meanings on the right?

Drown / Suffocate / Choke / Be electrocuted / Be attacked / Crash / Be poisoned / Get scalded

	Get a bad electric shock
	Have an accident while driving / cycling
	Die because you can't breathe
	Eat or drink something dangerous
	You can't breathe because your throat is blocked
	Burn yourself with hot water
	Die under water because you can't breathe
	Somebody tries to hurt you

You are looking after your neighbor's child, Ken.
Ken is 5 years old and he often has accidents.
Look at this list and decide which things may be dangerous for Ken.

A plastic bag
a small plastic toy
a pet dog
a pet cat
a plastic bottle
a swimming pool
a pair of scissors
chewing gum
a child's bicycle
a pencil
a public park
medicines
a bottle of water
snow
trees
a fridge
inside a car
a computer

Discuss your ideas. You can use this sentence pattern with one of the words below.

I think Ken will _____ **drown** if he plays in the swimming pool.

definitely not / probably not / maybe / probably / definitely
It will not happen — It will happen
